ROSEPURE®

ROSE WATER

📌 Description

RosePure® Rose Water is a personal-care product presented by DOTCOM PHARMA for everyday skincare and refreshing facial care. It is marketed as rose water for helping refresh the skin, maintain moisture and support a soft, smooth appearance.

The supplied product artwork describes RosePure® as a gentle, refreshing skincare product with a natural rose fragrance. It highlights benefits such as refreshing and revitalising the skin, helping maintain skin softness, soothing the appearance of irritation and redness, and supporting a healthy-looking glow.

Rose water is commonly used in personal-care routines as a facial refresher or toner. RosePure® is presented for application using a cotton pad or as a facial mist, according to the product's approved directions. Its liquid form makes it convenient for daily skincare routines.

The product is shown in six pack sizes: 15 ml, 30 ml, 60 ml, 120 ml, 200 ml and 500 ml. The actual composition, including whether it contains pure rose extract, rose distillate, fragrance or other ingredients, should be confirmed against the approved formulation before publication.

📄 Product Form

Liquid.

RosePure® Rose Water is presented as a liquid skincare product for external application to the face and skin, subject to the directions on its approved label.

🧍 Human Application

RosePure® Rose Water is presented for everyday facial and skincare routines.

- Skin refreshing: Helps provide a refreshed feeling.
- Moisture support: Intended to help maintain skin softness and moisture.
- Facial care: Can be used as part of a regular skincare routine.
- Toner use: The artwork presents it for use as a toner.
- Facial mist: The artwork also indicates mist-style application, if the dispensing method and label permit it.
- Healthy-looking appearance: Moisturised, refreshed skin may appear smoother and more radiant.

Advantages

1. Everyday skincare: Can be incorporated into a regular facial-care routine.
2. Refreshing application: Provides a convenient liquid format for facial use.
3. Multiple pack sizes: Six sizes are shown to suit different consumer needs.
4. Versatile routine use: Presented for application with a cotton pad or as a facial mist, subject to the label.
5. Rose fragrance profile: Offers a rose-associated sensory experience as described in the artwork.

Precautions

- For external use only.
- Avoid direct contact with the eyes.
- Check the ingredient list if you have known skin sensitivities.
- Perform a patch test before first use if you have sensitive skin.
- Discontinue use if irritation occurs.
- Do not apply to damaged or irritated skin unless the label permits it.
- Keep out of reach of children.
- Follow the directions printed on the final product label.

Usage Instructions

1. Check the product label for the approved method of application.
2. For cotton-pad use, apply an appropriate amount to a clean cotton pad.
3. Gently wipe over the intended facial area, avoiding the eyes.
4. For mist use, apply only if the product packaging and dispensing method permit it.
5. Use according to the product label and discontinue if irritation occurs.

Storage Instructions

- Store in a cool, dry place.
- Keep the container tightly closed after use.
- Protect from direct sunlight and excessive heat.
- Avoid contamination of the product.
- Follow any storage instructions printed on the label.

🙋 FAQs

1. What is RosePure® Rose Water used for?

RosePure® is presented as a personal-care product for refreshing the skin and supporting an everyday facial-care routine.

2. What pack sizes are available?

The supplied product images show six sizes: 15 ml, 30 ml, 60 ml, 120 ml, 200 ml and 500 ml.

3. Can RosePure® be used as a facial toner?

The product artwork presents it for toner use. Follow the approved product label and avoid contact with the eyes.

4. Can RosePure® be used on sensitive skin?

Suitability depends on the actual formulation. Check the ingredient list and consider a patch test before first use, particularly if your skin is sensitive.

5. Does RosePure® contain pure rose extract?

The artwork describes the product as having a rose essence or natural rose profile, but it does not establish the exact composition. Confirm the ingredient declaration before making a specific ingredient claim.
